Glass LED Mosaic Candle
WITH DAILY TIMER

*set the mood with
realistic candlelight*

Featuring a soft ambient glow, this unique LED candle flickers and dances just like conventional candles. Made from real wax, it's nearly indistinguishable from flame candles.

With its built-in timer, this unique candle powers off automatically after 4 hours of use, and returns on 20 hours later! Candle runs up to 500+ hours of continuous use, or 130+ days with the integrated timer function.*

- Cordless battery operation allows you to place it on tables, in bedrooms or bathrooms, on shelves, and more
- Built-in timer turns candles on and off at the time of your choosing
- Perfect for any special occasion

10 Ft. Decorative LED
STRING LIGHTS

*bring exciting LED light
to your home with our
decorative string lights*

These battery-powered festive LED lights feature a convenient 4-hour timer for ease of use and display on shelves in living rooms, bedrooms and other hard-to-reach places.

- Battery operated flexible LED lights extend 10-feet in length
- 20 warm white LED lights
- Integrated 4-hour timer turns your lights on and off automatically
- Designed with long-lasting LEDs for hours of use
- Perfect for use in bedrooms & living rooms
- String on mantels, over beds and more

2-Piece LED Candle Set
WITH DAILY TIMER

*set the mood with
realistic candlelight*

Featuring a soft ambient glow, these unique lights flicker and dance just like conventional candles. Made from real wax, they're nearly indistinguishable from flame candles.

Himalayan Salt
CRYSTAL LAMP

experience the benefits

Himalayan salt creates an attractive refreshing ambiance. As the lamp is warmed by the bulb, some negative ions may be emitted into the air, which may reduce potentially harmful ions in the environment.

- Salt Lamps are naturally anti-microbial and resist the growth of mold and bacteria
- Salt lamps produce a soothing warm glow

Himalayan Salt Lamp WITH BASKET

experience the benefits

Himalayan salt creates an attractive refreshing ambiance. As the lamp is warmed by the bulb, some negative ions may be emitted into the air, which may reduce potentially harmful ions in the environment.

- Salt Lamps are naturally anti-microbial and resist the growth of mold and bacteria
- Salt lamps produce a soothing warm glow

Color Changing USB
SALT LAMP

experience the benefits

Himalayan salt creates an attractive refreshing ambiance. As the lamp is warmed by the bulb, some negative ions may be emitted into the air, which may reduce potentially harmful ions in the environment. Simply turn lamp on to create ambient color changing lighting and clear the air for relaxation.

- Salt Lamps are naturally anti-microbial and resist the growth of mold and bacteria
- Salt lamps produce a soothing warm glow

Himalayan Salt Lamp Night Light

experience the benefits

Himalayan salt creates an attractive refreshing ambiance. As the lamp is warmed by the bulb, some negative ions may be emitted into the air, which may reduce potentially harmful ions in the environment. May help purify the surrounding air by attracting water molecules that trap dust and allergens.

- Salt Lamps are naturally anti-microbial and resist the growth of mold and bacteria
- Salt lamps produce a soothing warm glow
- Lamp emits low-level, ambient light which may help induce sleep

Inspirational
SENTIMENT SET

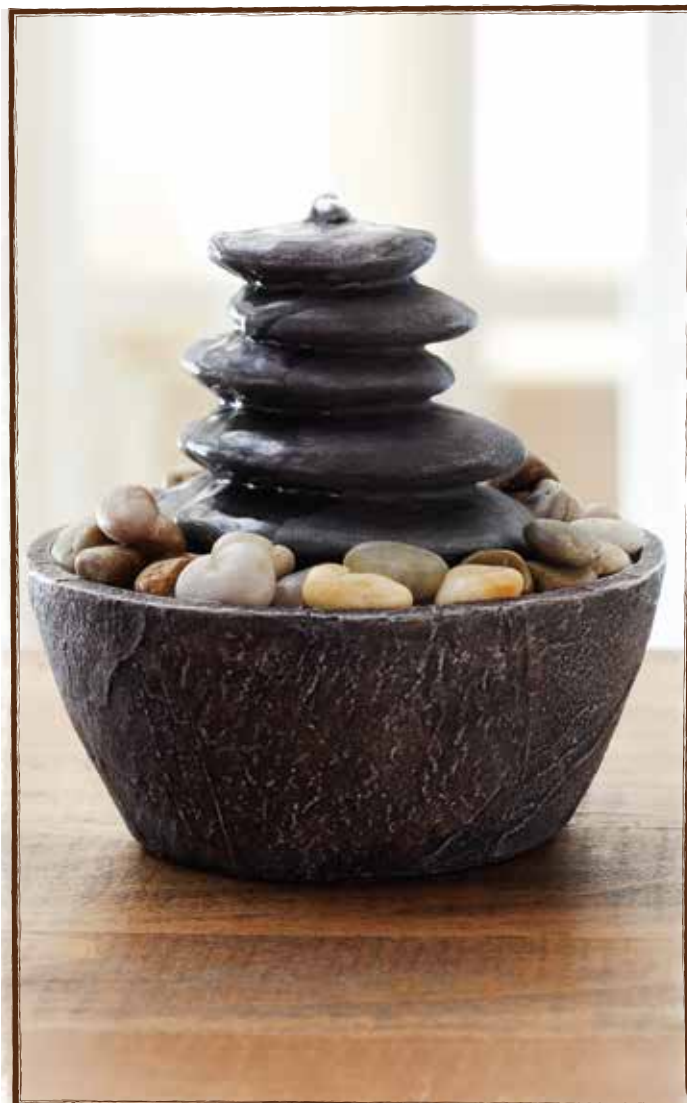

elegant sentiment set
